Design A. Torchetti

Un nome che evoca bellezza, l'unico adatto a definire una cucina di assoluto fascino. La tradizione del legno e la tecnologia del metallo si fondono per creare un ambiente unico, dove vivere lo stile contemporaneo sempre avvolti dal calore di un tempo.

A name evoking beauty, the only one that can define an absolutely charming kitchen. The tradition of wood and the technology of metal merge to create a unique setting, where you can live your modern style, always wrapped up in the warmth of the past.
